I had contacted your department this summer about air quality here, I had stated I thought there was a problem. I have had little help from local offices locating the problem. I am now faced with serious health problems, my blood level is 52mcg/ml Germanium, this was reported to Bismarck ND last week, I was told by the nurse at the clinic I would be contacted by someone in Bismarck, I have heard nothing from them. I have talked to the Williston Health Unit, she has heard nothing. I am desperate to find the source of this. My husband is also doing a blood test, I am sure his levels are close to mine.  
L-date I heard about this issue was
